## Remembering Rita - The Queen of Tabac

**Her breakfasts were as legendary as her choice of headwear.**

From trendy pop stars to artsy teens, burly builders and wannabe gangsters - Tabac in the 70s and 80's was a melting pot of backgrounds and cultures with Rita, the café's first owner always keeping a watchful eye over all of the comings and goings..

A Liverpool institution since 1974 - Rita took immense pride in her 'little café at the top of the hill,' - where she ruled absolute and the Bold Street matriarch was known city-wide for her collection of fabulous hats, the crowning glory to off set a floury pinny and marigolds.

Gliding like a galleon in full sail across the café floor - effortlessly glamorous at whatever time of day, Rita would tear a strip off anyone who dared to put their feet on the chairs, slapping their legs down - she'd make sure they'd never dream of doing it again.

Her take no prisoners approach was legendary but also she had a heart of gold, and genuinely cared for many of her customers who formed lifelong friendships huddled together over long-drawn-out cups of tea.

(Despite berating them for sitting for hours, ultimately Rita knew deep down that the kids were better off in Tabac, than out on the streets.)

Rita may not still be with us here at Tabac but her spirit lives on in the site, the team still care for the guests, welcome anyone and strongly believe a good cuppa can solve most problems... or maybe a punchy Bloody Mary!

**Thank you for  
visiting today, Rita  
would want us to  
look after you x**

It's well balanced and combines beautifully with milk, where it adds punchy caramel, smooth milk chocolate notes and gets even sweeter. "Tabac was essential for getting a job, as my agent would telephone the cafe, as they knew I'd be there. The lovely Rita used to field calls from international agents, and I remember once told me I had a job in Monte Carlo!"
